Sir,

I have the honor state, that the introduction of octroi to the Melkote municipality necessitated the supply of a brass seal of the value of Rupees 11-as for sealing the locally manufactured goods to distinguish the same from those that are imported into the town on which octroi is levied. Octroi receipt books and counterfoil Challan books were also got printed and these cost Rupees 10 6. 6. These were of urgent nature and got prepared in

in anticipation of sanction. The total expenditure was thus Rupees 21.66, and was paid out of Imprest of the Municipality. I request therefore that you will be so good as to obtain early sanction of Government for the same.

This expenditure will be provided for in the Supplemental Budget of the Municipality for the current year.
